Richardville to hold district coffee hours during legislative break

LANSING—State Sen. Randy Richardville announced he will hold several constituent coffee hours during the Legislature's in-district work period.

"I look forward to talking with Monroe County residents as I spend time throughout the district over the next few weeks," said Richardville, R-Monroe. "When our state is facing real challenges it is more important than ever to continue to reach out to my constituents and keep an open dialogue."

The dates, times and locations for Richardville's coffee hours are as follows:

Day	Time	Location
Friday, July 3	9 to 10 a.m.	Cafe Classics 29 S Monroe St. Monroe, MI 48161 (On the corner of Monroe St. & Front St.)
Tuesday, July 7	9 to 10:00 a.m.	Tim Hortons 3309 Sterns Road Lambertville, MI 48144 (On the Corner of Sterns & Secor)
	11 a.m. to Noon	Coffee Beanery 121 Helle Blvd. Dundee, MI 48131 (South of M-50 across from Cabela's)
	1 to 2 p.m.	Panera Bread 393 N. Telegraph Road Monroe, MI 48162

“This may be a legislative break from Lansing, but I am never on break from representing the people of the 17th district,” said Richardville. “This time away from the Capitol presents an excellent opportunity to hear from constituents about the issues that are affecting them most in this economy.”
